REQUEST FOR ACTION ON CERTIFICATE OF CORRECTION REQUEST

Dear Sir:

Patentees filed a Request under 37 CFR § 1.323 for a Certificate of Correction (COC) on 7 November 2005. Patentees have since observed a Patent Office memorandum in PAIR, dated 7 February 2006 and apparently from the COC branch to an SPE in Art Unit 1623, indicating consideration of the Request. However, Patentees are not aware of any other activity. Accordingly, Patentees respectfully request action on and issuance of the requested COC.

Respectfully Submitted:

Date: 2 November 06
